"The Corpus Christi Black Chamber of Commerce had the privilege of obtaining Ms. Kennedy as a Keynote Speaker for our 8th Annual "S.O.S" -Sisters on a Saturday, Women's Business and Professional Development Seminar. Our annual theme- "Empowering Women to Excel in Mind, Body and Spirit!" The audience of over 150 attendees ranged from professionals to business owners to entrepreneurs to college students, teens and even a handful of pre-teens. Ms. Kennedy's speech outlined experiences that everyone could relate to. Her poise, intellect, singing and stamina had the entire audience mesmerized! She engaged the audience and delivered the message with such confidence and faith. The message rang out loud and clear and was most reassuring that despite the odds and obstacles-"Yes I Can do anything...I am a strong woman!" On behalf of the Board of Directors of the Corpus Christi, Black Chamber of Commerce, we highly recommend Ms. Kennedy for any speaking engagement-for any audience."
